## FAR NIENTE Cabernet Sauvignon 2012

The 2012 Far Niente is a spectacular showing, delivering seductive aromas of ripe cassis, black cherry, mocha, dried herbs, floral, graphite and sweet spices all cascading through the wine. The full body is rich and layered backed by gorgeous round, velvety tannins, which are well integrated. Dark fruits continue to linger on the long supple finish. This is already delicious, but will prove to be age worthy as well. (Best 2016-2030) - *October, 2014 (JD)*
