## **93** FAR NIENTE 2013 CABERNET SAUVIGNON

---

A dark, explosive wine, the 2013 hits the palate with masses of dark, super-concentrated fruit. Spice, new leather, menthol and tobacco appear with air to round things out. The 2013 is not especially subtle, but it is racy, opulent and voluptuous, all qualities that will hold considerable appeal to readers looking for immediacy and near-term pleasure, all of which the 2013 has in abundance. **93 POINTS**
